

## Growing up Nobody: One mans true story of overcoming lifes struggles and disappointments

Tim Olson or as his friends call him Timo tells his true story in this book titled Growing Up Nobody. Timos life had been filled with trials and tragedies. From being bullied in school, having a volatile relationship with his father who suffered from mental illness, a divorce and the death of both of his parents all by the age of twenty four. His courage and strength is an inspiration. But something was missing. Not once did any of those situations draw him closer to Christ. What did bring him to his Savior was the simple gesture of someone who asked a simple question. Would you like us to pray for you? Those simple eight words started Timos journey to finding peace through forgiveness. Not only of those who hurt him but of himself.

**Are you suffering from Mid-Life Disappointment? Plus how to spot** I am a common man with common thoughts, and Ive led a common life. .
