

The Mist of Mineral Springs: A Madison, North Carolina Novel

Giving away her heart came with a price. Giving away her soul led her through The Mist of Mineral Springs. A charming, Southern tale of a woman who captivates the heart of a man, and embarks upon a timeless romance that transcends the barrier between life and death. Looking through The Mist, she learns to love. Standing in The Mist, she learns to laugh, but walking away from The Mist, means she would no longer dance with the ghost to whom she gave her soul. It was somewhere out there, somewhere in The Mist of Mineral Springs.
