

Off the Top of My Head

This is a collection of radio commentaries by Dr. David Spielberg for NPR affiliate radio station WHQR, Wilmington NC, from 1993 to 1995. Dr. Spielberg, then Science Department chairman at Cape Fear Academy, was given a free hand by the station manager, Michael Titterton, to expound on whatever was of interest to him that week. So, that is exactly what he did, covering a wide range of topics from science to politics to ... well, anything. Each commentary ran for about three minutes on the air. As a consequence these essays are brief and to the point quickly, often humorous and always thought provoking.
