

One Time Too Many: A Claudia Brown-Mosley Mystery

Claudia Brown-Mosley will undoubtedly earn her place among the mystery/suspense writers. She cleverly brings the characters to life, keeps the suspense going until the last page, and leaves the readers grasping for more. The book takes place in Sunny Los Angeles, California. A lawyer by the name of Edmund has finally found the love of his life and things are going great. Both Edmund and Tracy find themselves in the killer past, that brings everything to the present. That's when the telephone calls, leaving notes and spying begins. Can his long time friend Carmichael, the detective find the killer before the killer finds them? Passion, jealousy and courage come to life in ONE TIME TOO MANY.
