

Dirty MC Flux: The Confessions of a Reformed Drug Addict and Soccer Hooligan who made it Big on the Dance Scene

MC Flux, AKA Carl Rodney Thomas, is a top drum and bass MC, a UK pioneer in this type of dance music. Inspired in his teens by reggae, back in the 80s he became Youth Champion of the Reggae Young Sounds competition. Talent spotted for top clubs, he was soon the MC of choice for raves such as Innovation, Desire, Dreamscape, World Dance, Innocence and Helter Skelter. He even formed his own clothing company. But Flux has spent plenty of time on the dark side and dicing with the law he has often been in the front line during violent clashes at soccer matches, and his involvement with drugs led to prison sentences for drug possession and violent disorder. This is his raw, colourful story, written with the help of his close friend Peter Spence, better known in the dance world as Pete Nice. Vivid and explicit, this is not a story for the faint-hearted.
