One contains a short, 10 minute induction that allows you to fall into a deep state of relaxation quickly. Great for those who are short on time or for those experienced in hypnosis and familiar with the induction process. Another contains a 20 minute beach induction that will lull you into a deep state of relaxation with the soothing sounds of waves hitting the shore, allowing you to let go of any mental inhibitions and be completely open to positive change. And another contains a 20 minute staircase induction that will walk you down a mental stairway into a deeply relaxed state that ends with you in a peaceful, safe place where you can feel comfortable enough to completely open up to these hypnotic suggestions. A bonus, Sweet Dreams, is included as the fifth track.
