

Oxford First Illustrated Science Dictionary

The Oxford First Illustrated Science Dictionary supports the curriculum and gives your child a head start in understanding first scientific words. Organised alphabetically, this dictionary gives simple and clear meanings for over 300 scientific words and concepts, from abdomen to zoo. Each entry is illustrated with child-friendly artwork plus diagrams to explain, add meaning, and support the definition. Expertly-levelled supplementary material in an illustrated section at the back lists the everyday vocabulary children will come across in their science lessons including the equipment used in class. It is the perfect companion to the Oxford First Illustrated Maths Dictionary. Go online for free downloadable word games, puzzles, and activities on the www.oxforddictionaries.com/schools website.
