

Ten Life Choices: Recovering the Life You Were Always Meant to Live

Ten Life Choices is an invitation to LIFE. Life was Gods first gift to mankind when, in the Garden of Eden, He breathed into mans nostrils the breath of life and man became a living soul. Right after man received this wonderful gift, he was given the gift of choice. He could choose life everyday. Sin brought death and the inability to choose life, but Jesus came to give life again life eternal, life now. The life that Jesus offers begins the day we choose to put our faith in Him. Everyday, we have the opportunity to choose life, to experience and celebrate life to the fullest! Ten Life Choices highlights specific choices that we can make in order to fully experience life now.
