

Pearl in the Sand: A Novel

Can a Canaanite harlot who has made her livelihood by looking desirable to men make a fitting wife for one of the leaders of Israel? Shockingly, the Bible's answer is yes. Pearl in the Sand tells Rahab's untold story. Rahab lives in a wall; her house is built into the defensive walls of the City of Jericho. Other walls surround her as well—walls of fear, rejection, unworthiness. A woman with a wrecked past; a man of success, of faith of pride; a marriage only God would conceive! Through the heartaches of a stormy relationship, Rahab and Salmone learn the true source of one another's worth and find healing in God.
