

Pension Magic

Pension Magic shows you how to build a big retirement pot by claiming thousands of pounds of extra tax relief on your pension contributions. The guide also provides full details of the new rules that will let you withdraw as much money as you like from your pension. Using lots of real-life examples we show how, under these new rules, it will be possible to save thousands of pounds in tax by timing your pension withdrawals carefully. Other subjects covered include how a couple can increase their retirement income by over 30% by correctly choosing who makes pension contributions, how parents claiming child benefit can receive a tax refund of up to ?72 for every ?100 they invest in a pension, how to boost your pension pot by over ?50,000 with a salary sacrifice pension, why pensions are much more powerful than ISAs, delivering between 42% and 71% more after-tax income, how basic-rate taxpayers can increase their pension pots by 33% and how higher-rate taxpayers can calculate their optimal pension contribution and enjoy the maximum tax relief. It also covers pension strategies for landlords, company directors and other business owners.
