

Please Dont Feed the Daisy: Living, Loving, and Losing Weight with the Worlds Hungriest Dog

When Jason moves in with Bev, its supposed to be temporary. But then Daisy the Chihuahua comes to stay. Just two-and-a-half pounds when they adopt her, Daisy is a charmer. And soon, an eater. Hot on her heels comes Elvis the pug, and then, of course, their puppies! Instead of losing her baby weight, after giving birth to four puppies, Daisy gets even chubbier and soon outgrows even her fattest fat sweaters. Bev and Jason decide its time for everyone, including the two of them, to pull together, lead a healthier life-style--and in the process become a family (albeit an unconventional one). Please Dont Feed the Daisy is the wickedly funny, remarkably useful story of their journey toward becoming that family, and a fit one to boot. Packed with yummy, fun, diet- and earth-friendly recipes for both dogs and people, as well as training tips and the Happily Ever After Maintenance Plan, this is a heartwarming and healthy tale for dog- (and food-) lovers everywhere.
