

Pocket Kama Sutra/69 Ways to Please Your Lover Box Set

This beautiful boxed set is the perfect gift of love for the modern couple to share. 69 Ways to Please Your Lover offers sexy suggestions and provocative pointers to stimulate both mind and body. It features a wealth of ways to tickle the erotic imagination, with techniques that range from playing to penetrating; a tour of the body's many hot spots (with hints on how to arouse them); and ways to bring all five senses into play. Among the 60 explicit photographs are many hidden in special pages that you must unzip to reveal the secrets within. Pocket Kama Sutra takes the most potent ingredients from Eastern eroticism, adds sumptuous photographs, and mixes in a tantalizing blend of ancient and modern wisdom. All the sex-enhancing ideas come from the classic texts: The Kama Sutra, Ananga Ranga, and The Perfumed Garden. Four sensuous chapters explain it all, including the secret recipe for languid lovemaking that lasts for hours; fast and passionate ideas for sex driven by speed, urgency, and excitement; a menu of intensely penetrative positions; and an aptly titled adventurous chapter with creative, challenging, and fun moves. The result is an irresistible magic potion for the best sex ever!
