

The Secrets of Money: A Guide for Everyone on Practical Financial Literacy

Considered by many to be the Encyclopedia of Personal Finance, this book for adults was written to be the single source of what you really need to know to be financially literate in the real world. Written in a conversational and easy-to-read format, the concise information is presented in a practical versus a theoretical manner and is appropriate for consumers of all education and income levels. Whether you are 18 or 80 (or anywhere in between), you will clearly see how the topics in this book relate to you. If there is 1 book everyone should have, this is it! Chapters include: Consumer Credit, Mortgage Lending, Real Estate, Car Buying, Insurance, Taxes, Investing, Estate Planning and the authors Keys to Financial Success. The book further comes with a 100% satisfaction guarantee from the publisher, so you have nothing to lose and everything to gain! If there is one book which will make you money, save you money and make you better educated about money, this is it!
