Teach Your Children to Pray Each new generation echoes the words of the Apostles, Lord, teach us how to pray. In order to answer that request, the Church provides a wealth of beautiful devotional prayers that today's Catholic families can use throughout the day and throughout the year. The Catholic Family Prayer Book assembles the very best of these prayers in a convenient and easy-to-use format. From helping new parents teach their children the prayers that will sustain them throughout life to refreshing the memories of prayers learned long ago, the Catholic Family Prayer Book is destined to become a beloved and cherished part of every Catholic family's home and heart. An ideal gift for all ages. Includes an introduction by Father Benedict J. Groeschel.
