

Pride, Prejudice and Jasmin Field

It starts as a lark for Jasmin Field, the charming, acerbically witty columnist for a national womens magazine. She joins a host of celebrities gathering in London to audition for the seasons most dazzling charity event: a one-night only stage production of Jane Austens immortal Pride and Prejudice, directed by and starring the Academy Award -- winning Hollywood heartthrob Harry Noble. And nobody is more surprised than Jasmin herself when she lands the lead of handsome Harrys love interest, Elizabeth Bennet. But things start to go very wrong very quickly. Ms. Fields delicious contempt for the arrogant, overbearing Harry Noble goes from being wicked fun to infuriating. Her brief moment of theatrical glory looks as if its going to be overshadowed by the betrayal of her best friend, the disintegration of her family and the implosion of her career. And suddenly she cant remember a single one of her lines. But, worst of all, Harry Noble -- who, incidentally, looks amazing in tight breeches -- has started to stare hard at Jazz with that sort of a glimmer in his eyes...Fresh, wild, wonderfully romantic and absolutely hilarious, Pride, Prejudice and Jasmin Field is Jane Austen as the great lady herself never imagined it.
