

The Relationship Problem Solver

One of the greatest skills you can develop in your love, marital, or dating relationship is the ability to quickly and effectively solve disagreements and problems. This new book by Dr. Kelly Johnson, the author of *A Relationship for a Lifetime*, will help you learn real and practical solutions that you can apply to difficult issues that could otherwise lead to relationship ruin. This is a comprehensive manual that can truly save your relationship if its characterized by miscommunication and anger. Virtually every major source of potential conflict is covered, including chapters on sex, money, children, family, infidelity, jealousy, careers, and annoying habits ...just to name a few. This book is easily readable and offers concrete help for anyone who wants a happier, healthier love relationship!
