

# Protecting Your Heart While Negotiating With Your Ovaries: Infertility Resources

A real must read if you are dealing with infertility. This book is an essential resource to assist you as a couple in your journey to creating a family. Focus on maintaining and improving your relationship while coping with the emotional aspects of infertility. This book is written by a licensed mental health therapist who endured years of medical treatment for fertility. She specializes in the treatment of individuals coping with the emotional challenges of infertility.
