

Inside the Minds: Public Relations Best Practices--Industry Insiders Offer Proven Tips for the Most Effective Communications Strategies

Inside the Minds: Public Relations Best Practices is an authoritative, insiders perspective on the ins and outs of public relations today and the future of the industry on a global scale. Featuring Presidents and CEOs representing some of the nations leading PR firms, this book provides a broad, yet comprehensive overview of the most significant issues in PR today. Stressing the importance of carefully planned and professionally executed communications strategies, authors articulate the finer points of what can often be a nebulous realm within the business world. From targeted regional campaigns to proven online tactics, from the effects of the regulatory corporate environment to the role of the CEO, each chapter provides specific and relevant information for any organization, whether embarking on a new PR program, managing a crisis, or building a brand. An unprecedented collection of different niches and perspectives from the public relations world, this book! is critical reading for every executive and anyone involved in this endlessly demanding field.
