

Brainshare: What Small Business Owners Need To Think About

Would your business be better off if you had more time to get stuff done? In this book, I'm going to share with you four key concepts you must understand and apply if you ever want to break free of your business. If you're like many business owners, you probably feel like you put in a lot of time working without a spectacular payoff. In this book, I'm going to show you a system that takes your frustration, long hours, and substandard pay and trades it all for freedom, comfortable hours, and higher pay for you. Then, you can take that long-overdue vacation. Sound good?
