

Quiet on the Set!: Motion Picture History at the Iverson Movie Location Ranch

Rear cover notes: Told here for the first time...The epic history of Hollywood motion-picture making at the world-famous Iverson Movie Location Ranch, from 1912 to the present. Over 70 years of motion picture history encompassing more than 2,000 films, including some of the worlds greatest. Plus television film production at the ranch, from the early days of TV through the making of Bonanza, Gunsmoke, Route 66, Perry Mason, and other popular series. Featured are rare photographs of film classics in the making and of the major stars who made them immortal, along with an eyewitness history of motion picture and television film-making at the Ranch from the memories of the legendary Joe Iverson.
