

Ramayana: Epic Of Rama, Prince Of India

The Epic is traditionally divided into several major kandas or books, that deal chronologically with the major events in the life of Rama. The Bala Kanda describes the birth of Rama, his childhood and marriage to Sita. The Ayodhya Kanda describes the preparations for Ramas coronation and his exile into the forest. The third part, Aranya Kanda, describes the forest life of Rama and the kidnapping of Sita by the demon king Ravana. The fourth book, Kishkindha Kanda, describes the meeting of Hanuman with Rama, the destruction of the vanara king Vali and the coronation of his younger brother Sugriva to the throne of the kingdom of Kishkindha. The fifth book is Sundara Kanda, which narrates the heroism of Hanuman, his flight to Lanka and meeting with Sita. The sixth book, Yuddha Kanda, describes the battle between Ramas and Ravanas armies. The last book, Uttara Kanda, describes the birth of Lava and Kusha to Sita, their coronation to the throne of Ayodhya, and Ramas final departure from the world.

ABOUT THE AUTHOR: Valmiki is the author of the epic Ramayana, based on the attribution in the text of the epic itself. He is revered as the Adi Kavi, which means First Poet, since he discovered the first verse, which set the base and defined the form to Sanskrit poetry. The Yoga Vasistha is attributed to him. A religious movement called Valmikism is based on Valmiki's teachings as presented in the Ramayana and the Yoga Vasistha.
