

Body Language: High Achievers, Volume 09, Edition 01

Best book on Body Language How to Quickly Understand, Read, and Use Nonverbal Body Cues and Communication for Better Relationships in Business and Life You're about to discover the different aspects of body language and techniques that will enable you to read the gestures, actions, and emotions of others. You can also try to use these gestures and expressions yourself to interact with friends and family. This book will cover the different steps in reading and understanding nonverbal cues. Be guided on how to present yourself in public and be sure your words and actions jive with each other. As the saying goes, Actions speak louder than words, so be sure you are conveying exactly what your mouth has spoken. Don't give a negative impression when all you intend is positivity. You will learn about the following... Identify when the body is speaking and interpret what it wants to say Read and understand smiles and handshakes, palm gestures, and postures Recognize daily gestures: what they are, what they mean, and when they are applied Spot micro-expressions and the seven universal emotions, backed-up by a psychology study that paved the way to reading fleeting expressions Counter-gesture intimidating and threatening stances and nonverbal cues Consider cultural and gender differences when it comes to reading body languages Build rapport through mirroring and other techniques such as maintaining eye contact Use body language in social interactions and how to use it for self-development and relationship building Download your copy today!
