Inspirational recipes for healthy eating, healthy weight loss, healthy living. Congratulations! You have taken the decision to detox your body, to maintain healthy eating habits, to sustain healthy weight loss, but like me you may have found it difficult to keep motivated when faced with the dietary limitations. However, help is at hand. Book 4: Fish and Seafood has 20 recipes from the eight book series Detox Maintenance Recipe Collection and was written for you, and for all of us wish to adopt a healthy eating life style. Among the delicious recipes you will find Goan Prawn Curry, Moroccan Fish Tajine, Fish Fillets in Coriander. We all know that fish is good for you. Researchers have discovered that eating one or two servings a week can reduce the risk of a wide variety of illnesses, including cancer, diabetes, heart disease and dementia. Fish is a low fat, high protein food and an excellent source of omega 3 fatty acids. If you follow my detox diet plan, you will retrain your eating habits.... look fabulous.... lose a lot of weight if that is what you need.... feel wonderful.... and develop a burning desire to maintain all that hard-won glow of fitness and health. But how are you going to find enough variety of flavours and tastes to avoid regressing to your old eating habits? All the books in this series have recipes without using wheat, eggs, meat, chicken, sugar or dairy*, solving your I need appetizing and nutritious food problem with delicious, healthy-eating recipes for every occasion, while keeping within the

detox limitations. As well as the recipes, there is a list of 80+ Super-Foods with their Nutritional Properties so you can check out the value of the ingredients of each recipe, and some handy Cooks Tips to save time and effort. Caring for yourself is your most important responsibility, both to yourself and your loved ones. If you are good at keeping secrets, I ask you not to keep this one. Share the news of this book so it is no longer a secret to those suffering bland, tasteless food while trying to maintain a healthy body, and if you like this book, why not check out the others in the series, or the complete Detox Maintenance Recipe Collection which has 130 recipes for every occasion *Dairy is used in its generally understood meaning i.e. cows milk products. There are recipes that include goats and sheeps milk, cheese and yogurt

A Personal Note from the Author Two years ago I lost 10 kilos or more than 20 pounds following my detox diet plan, and gained insight and knowledge about nutrition as well as a much healthier body. When I was looking for recipes to support the diet, I was frustrated by the lack of variety and tastes that seemed to be available while keeping within the detox limitations. During my journey to discover how to make healthy food taste great, excite the palate and maintain the detox lifestyle, I collected recipes from around the world, and can now deliver them to you for your enjoyment, health and well-being.
