

Cocktails by Flavor: More than 390 Recipes to Tempt the Taste Buds

Cocktails are all about flavor and this book is all about cocktails organized by flavor. Since these luscious concoctions come from Salvatore Calabrese, one of the worlds most honored (and bestselling) mixologists, its a given that theyre both reliable and irresistible. And the good news is, this revised edition of Calabreses popular guide is even more flavorful than before, thanks to 20 additional new recipes! Among the tasty categories are fruits; vegetables, including carrot and celery; herbs (rosemary, mint); and sweeteners such as honey and liqueurs. Lavish illustrations, enlightening essays, cocktail glass iconography, and the tastiest libations ever make this a must-have for every home bar.
