

Real Men Raise Their Kids

Have you ever wondered if you are the only sane person in your family? Fear not!

Matt Kovens *Real Men Raise Their Kids* travels beyond typical childhood memoir accounts. This humorous collection of boyhood experiences will prove that your family is not the most dysfunctional. Journey from the West Indies to Europe running throughout Americas heartland and back covering the entire Deep South, in a non-stop account of a passionate and loving fathers attempt to raise his family. In modern American society, it still remains unusual for fathers to spend large amounts of time with their children; however, in the last decade children and fathers have begun to spend valuable time with each other. *Real Men Raise Their Kids* humorously explores the results of the emerging trend of fathers taking time from their work to actively partake in the childrearing process. Exposing his familys most turbulent moments Koven elucidates the benefits that result from fathers actively participating in his childs youth.
