

## Reconstructing Human Origins: A Modern Synthesis (Third Edition)

The definitive textbook for paleoanthropology courses. Reconstructing Human Origins is the most authoritative, comprehensive, and popular paleoanthropology textbook available. Respected anthropologists Glenn Conroy and new coauthor Herman Pontzer use clear writing and abundant, carefully chosen illustrations to illuminate key concepts and help students get the most out of the course. This definitive paleoanthropology text has been fully revised to keep pace with all of the exciting recent developments in the field.
