

Red Army General: Leading Britains Biggest Hooligan Firm

Manchester Uniteds Red Army was the most notorious hooligan mob British football has ever seen. Thousands strong, this huge tribe of disaffected youths laid siege to town centres and soccer grounds across the country and became a byword for violent disorder. Tony O'Neill was there from the beginning and became its most prominent face. Barely in his teens when he set out from the largest council estate in Europe to follow the Red Devils, his ferocity in street combat and his force of personality soon made him a leader. Running trips in his infamous War Wagon, he became so renowned that he was invited to a sit-down meeting with the Government to discuss the hooligan problem. After serving a jail term, O'Neill emerged to lead the casuals of the 1980s against an even tougher generation of opponents: West Hams ICF, the Chelsea Headhunters, the Leeds Service Crew and the scally armies of Merseyside. Police intelligence files labelled him a prime mover and he became the target of a huge undercover investigation. Red Army General is the most authoritative account ever written of the wild years when terrace terror reached its peak. BRITAINS No.1 FOOTBALL THUG Daily Mirror BRITAINS WORST SOCCER YOB The Sun
