

Rekindled

For the last nine years, Kalee Mead has been running from her past. Now she's running for her life. Her only chance at survival is to return home and patch things up with her father. When she returns to her home in Thief Lake, Minnesota, she finds her father dead and herself becoming the cops' best suspect for his murder. Assistant Police Chief Blaine Walker has been trying to put his ex-wife out of his mind for years, but when he finds her hovering over her father's body, he knows that battle is lost. She becomes his only suspect in a case that doesn't make sense. He vows to find the answers and then hopefully rekindle the flame that has never quite died out in his heart.
