Bill Yoast is the real-life hero of Remember the Titans, the hit movie that chronicled the struggles of black and white high school football athletes to create a championship season in 1972 Virginia. A World War II veteran, Yoast helped to mold the lives of hundreds of men and women through his inspirational coaching style. Yoast offers his personal recollections from that now-immortalized season as well as the coaching philosophy he developed in over 30 years of his career.
