

Shackletons Boat Journey: The Narrative of the Captain of the Endurance (Historical Adventure and Exploration)

A remarkable journey of the 1914 Antarctic expedition, trapped when their ship gets stuck in pack ice. This new, second edition is updated with a new historical introduction and maps. The crew camps on ice floes, floating north for five months, until a small group, including the author, can sail in a lifeboat to get help. Despite the hardships, not a single man was lost.

: Shackletons Boat Journey (9780393318647): Frank Brenda said: I liked this Endurance better than the other Endurance book, just Shelves: adventure, history, biography, 20th-century, survival, sea, antarctica .
