

Restless Virgins: Love, Sex, and Survival in Prep School

Established in 1798, Milton Academy had always had a proud history of achievement, integrity, and pride until a sex scandal rocked the campus and made headlines in the spring of 2005. Written by two Milton graduates who know this world and these students like no others, *Restless Virgins* follows a group of seniors who were there as the incident (as it came to be called) unfolded. Startling, riveting, important, and true, it offers an honest, intimate look at the real lives of today's teens: an eye-opening yet sensitive depiction of normal kids with normal struggles that no teen, parent, or educator can afford to ignore.
