

# Protecting Your Parents Money: The Essential Guide to Helping Mom and Dad Navigate the Finances of Retirement

Wall Street Journal Love and Money columnist Jeff D. Opdyke offers a compassionate and highly effective handbook designed to help elderly parents manage their money. Protecting Your Parents Money is the essential guide to helping Mom and Dad navigate the finances of retirement, covering such topics as understanding Medicare, preventing elder fraud, and the hunt for a quality, affordable retirement home. Protecting Your Parents Money is a book everyone should own, as members of the Baby Boomer generation find themselves dealing with the many financial problems surrounding aging parents, and face their own future as seniors.
