

## Iubiri Blestemat (Romanian Edition)

Iubiri blestemat este un roman despre iubire, manifestata in mai multe ipostaze: dragostea ca amor, ca eros, dragostea parintilor pentru urmasi si dragostea de patrie, de tara in care te-ai nascut, ai crescut, si pentru care, uneori, esti dispus sa-ti dai viata. Actiunile eroilor se desfasoara in timpul celui de-Al Doilea Razboi Mondial, fenomen social-politic care a influentat viata a sute de milioane de oameni de pe tot Mapamondul.
