

SAY IT WITH CONFIDENCE

Your success depends how you are perceived, the content of your message, and your ability to present it and yourself effectively. Now the creator of one of the nations most successful public speaking programs destroys the ten most common misconceptions that stop you from communicating at our peak. And she shows you how to become the confident, powerful, persuasive public speaker you want and deserve to be. In it you learn how to: Develop the skills that give you confidence Create the impression you want Eliminate off putting mannerisms Control panic attacks Overcome shyness and defensive behavior Strategize award winning presentations Discover how public speaking can be exhilarating, confidence-giving, and an incredible amount of fun!
