

Second Sight

This classic, much-loved novel tells the story of Jennie Logan, a woman caught between two worlds, two times, and the two men she loves her husband and one an artist who may have died in 1899. David Williams novel is a thrilling read, part love story, part mystery a tale of time travel (or is it madness?) that keeps the reader guessing until the very end. Now back in print, this exquisitely written book is not to be missed.
