

Scottish Woodlands: Stunning Photography Capturing the Beauty of Trees (Calvendo Nature)

The majestic beauty of trees in their natural environment, from a subtle balance of tone to the intensity of the rich color. From the delicate fragility of leaves to the hard core of the old trunk. A rare glance at the too often ignored beauty on our doorstep. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
