

Seeing Christ in Others: An Anthology for Worship, Meditation and Mission

This worship anthology contains contributions from writers around the world, designed to broaden our ability to see Christ in others and to show how to become more Christ-like ourselves in our actions and words. This is a challenging theme based on Jesus teaching that when we care for the hungry, the sick, the stranger and the imprisoned we care for him. Included in the book are prayers, readings, stories, reflections, poems, songs and blessings. They can be used in worship as intercessions, sermon and teaching illustrations, responsive readings, short dramas or in small groups of all kinds for reflection and meditation. The resources are useful for worship leaders, clergy and also youth leaders, as young people are especially motivated to put their faith into action.
