

Selfishness and Self-Will: The Path to Selflessness in World Religions

SELFISHNESS AND SELF-WILL: THE PATH TO SELFLESSNESS IN WORLD RELIGIONS: Years ago, I had met with Christ in a Near Death Experience. He had shared with me the secret to our existence on earth. It is the goal of human existence, He had said, to go from selfishness to selflessness. That directive has remained with me since that time and this book is the result of further out-of-body travels wherein He came to me and directed me to gather those sacred texts that show us how to accomplish this vital task of our human existence. In the texts to follow are the secrets to this marvelous and praiseworthy task. Contained within them are instructions on going from selfishness and self-will to selflessness.
