

Dominate eBay: The Sellers Guide To Thriving On eBay

Lets be honest. Youve read every book on eBay (or quite a few) and you felt disappointed, as If something was missing. Or maybe youre a newbie looking for genuine ways to build a profitable eBay business so you can either leave your job, boost your overall earnings on the side or improve upon your eBay skills and business. This eBay eBook was built just for you, and eBay its self has been thoroughly researched to give you the best advice and value possible through my own experiences and business knowledge. Youll learn and have access to - What, why and how to sell A list of wholesalers and distributors NOT LISTED in ANY eBay book on the market Fresh ways to skyrocket your sales In depth guide on eBay fees REAL Pitfalls to avoid to thrive as an eBay business seller How to list, advertise and take your eBay business to the next level And MUCH MORE. I share secrets and advice MOST sellers arent willing to tell you. NOTE: Much of the content in this eBook is aimed at the UK market, though there are references that apply to US Sellers and beyond, as with the majority of information in the book.
