

# The Mans Handbook for Choosing the Right Woman: What Makes Men Afraid of Settling Down

I just dont understand women! How often have you heard yourself say that? It seems like just when you think you understand them, another comes along and throws you a curveball, ruining your game. Enter Jack A. Daniels. This witty, sympathetic, and perceptive author invites all men who have loved and lost and are now single and searching to consider the possibility that the problem isnt that we dont understand women often, the fact is that we dont understand ourselves. With The Mans Handbook for Choosing the Right Woman, Daniels, a reknown counselor and weekly columnist, gives us a rulebook to success. With coaching exercises at the end of each chapter to help you organize your team and insights into the various types of women we have or will encounter, this half-guide, half-workbook will motivate and inspire you to take control of your love life. Sometimes funny, sometimes serious, always insightful, The Mans Handbook is a valuable guide to turn to on the long and bumpy road to finding your most compatible female companion. Pick up the book, get your head in the game, organize your team, and play to win!
