

## Love By The Book (Turtleback School & Library Binding Edition)

FOR USE IN SCHOOLS AND LIBRARIES ONLY. A laugh-out-loud debut novel that will delight fans of Bridget Jones's Diary and HBO's Girls, *Love by the Book* charts a year in the life of Lauren Cunningham, a beautiful, intelligent, and unlucky-in-love twenty-eight-year-old American. Feeling old before her time, Lauren moves to London in search of the fab single life replete with sexy Englishmen. But why can't she convince the men she's seeing that she really isn't after anything more serious than seriously good sex? Determined to break the curse, Lauren turns her love life into an experiment: each month she will follow a different dating guide until she discovers the science behind being a siren. Lauren will follow *The Rules*, she'll play *The Game*, and along the way she'll journal her (mis)adventures and maybe even find someone worth holding on to. Witty, gritty, and very true to life, *Love by the Book* will have you in stitches.
