

The War on Boring: How to Kill Mind-Numbing Presentations Before They Kill Us First

Have you ever sat through a presentation literally praying for happy hour to arrive? Or suspected others might be doing so during yours? You're not alone. The War on Boring is a daring dive into the deep, dark underbelly of corporate culture, where acts of presentation persecution are readily accepted, even expected. This arsenal of knowledge will help you fearlessly fight back against communication crime to establish more successful relationships with clients, colleagues, and Microsoft PowerPoint. You'll learn: How to feel and act like you belong in the spotlight How to hook audiences with a memorable message How to avoid causing death by PowerPoint And much more! It's time to kill mind-numbing presentations, once and for all.
