

## The Bartenders Journal: (Pink Edition) (Noteyourpassion Engl) (Volume 5)

The Bartenders Journal is the notebook used by professionals and lovers of drink and cocktails to always be efficient and do not forget anything. It is used to manage the job, the equipment, the drinks, to not forget the recipes, to copy the recipes by others and to not forget the bar jokes and anecdotes that only bartenders knows... How many cocktails do you not remember, and were good drinks? How many things could be told to your friends, but you cant remember? Which drinks were served in that pub, and what you need to prepare them? Inside you can score: your cocktail recipes and more recipes from around the world wishlist techniques the pubs/clubs you prefer, you want to see or you want to judge every detail of the bar where the work, will work, or you want to work products details bar anecdotes photos of your evenings and your favorite drinks everything your need to add, you have free space for you All the most important cocktails are already marked with their ingredients, so that you can review or to remember them at a glance. How was made ??the cocktail that you invented last month? how the one you ordered and you liked so much? What was the name of the local in which you said you want to go? That technique you talked about, how it worked?
