

So Many Secrets: The Jabezzen Box Book Two

Citizens of the First Kingdom have enjoyed three months of peace and tranquility since the daring rescue of their beloved princess. But the serenity is shattered when the sacred Hall of Mirrors is violated, and a powerful gnomes relic is stolen. The supernatural crime bears the stench of the trollian emperor who is orchestrating a sinister plot to annihilate the little people. Risking their lives to recover the priceless artifact, the Jersey girls and friends enter forbidden lands where terrifying monsters lurk and dangers abound. Tensions mount as mystic allies and vicious enemies amass, placing the girls and gnomes in the middle of the deadly final clash.
