

# So You Want to Start a Brewery?: The Lagunitas Story

So You Want to Start a Brewery? is the first-person account of Tony Magees gut-wrenching challenges and heart-warming successes in founding Lagunitas Brewing Company. In just 20 years, the company has grown from a seat-of-the-pants, one-man operation to be the fifth largest--and the fastest growing--craft brewer in the United States. This equal part memoir, narrative, and business story is an illuminating yet hilarious account anchored strongly in time and place as a one-of-a-kind, made-in-America journey that culminates with the success of one of the nations most popular and enduring craft beer brands.
