

South Beach Diet Desserts: Delicious Desserts That Promote Weight Loss and Allow You To Stick To Your Diet (The South Beach Cookbooks Book 4)

Join the Millions That Have Changed Their Lives Following This Diet Most people seek diets to lose weight. For that reason, most diets that were formulated earlier were drastic ones which cut down on the carbohydrate and fat intake in a diets meals and forced them to reduce their calorie intake drastically. Many diets also consisted of an undue focus on one nutritious item while foregoing balanced meals for the sake of weight loss. Most of these diets had short term effects but led to long term adverse effects if no effects at all. At such a time cardiologist Arthur Agatston along with dietitian Marie Almon designed a diet which served as an alternative to the low fat diets that were prevalent during the eighties. The diet became known as the South Beach diet which was formed with the main purpose to prevent heart diseases in people. This diet was formulated by Dr. Agatston to help his own patients in the early part of the millennium. The diet soon became popular and was considered by even those who wished to lose weight. Dont sacrifice taste for flavor, we all have a sweet tooth and inside I teach you how to cure it! Recipes You Will Discover InsideChocolate Covered ApricotsRicotta CheesecakeSpice CookiesWinter Snow PuddingFrozen Frosting Would You Like To Know More? This book contains some of the best healthy cheat recipes there are. The question is will you choose to use them, cure your sweet tooth and still lose weight or will you wake up tomorrow craving something bad and eventually caving in? If you are ready to start losing weight and attain the body youve always wanted than scroll up and grab your copy of the South Beach Diet Desserts.
