Hunter spent most of his twenties on the futures trading floor of the rough and tumble pits in Chicago Mercantile Exchange and has been investing in silver and gold for more than a decade. Hes witnessed all the ways the gold and silver bullion market will try to chew you up and spit you out and he wrote this book so you can overcome them and be a successful gold and silver investor. His short, no fluff, straight to the point book boils down over a decades worth of investing dos and donts into about 100 pages. You can literally read this book and start investing in gold and silver with total confidence, safety & ease on the same day you buy it. The funny thing is that this is probably the shortest book on gold and silver investing ever written but its also is the only book youll ever need to invest in gold and silver. Hunter values his time very much and hes written this book as straight to the point as possible because he knows you value your time as well. Go buy this book now. It will SAVE you a ton of money.
