

Starlight: Peaches Monroe, Book 2

So, I fly off to LA for the big Peaches Monroe (thats me) underwear campaign shoot. Im nursing a bruised heart from everybodys favorite TV vampire, Dalton Deangelo, when along comes this new batch of trouble. Keith Raven. Sexy, tanned, and nearly naked. Hes my new co-model, and let me tell you, Keith is the full package. Other girls fantasize over his sexy calendars for a reason. The best/worst part is he takes his time when he touches me, which drives me absolutely crazy. My new bestie Mitchell warns me that all male models are walking disasters, but I cant control myself around Keith. To mess with my head, Dalton Deangelo is trying to redeem himself and win me back. He sucks at redemption, but he has a special sense for danger, and always shows up when I need to be rescued. Now Ive got two insanely hot guys fighting over me, and Im headed for disaster. Somebody please stop me, because if I keep slamming my heart like this, its going to break.
