

Start & Run a Home Cleaning Business (Start & Run Business Series)

Home cleaning is one of the fastest-growing service businesses in North America. A good cleaning service brings comfort and order into peoples lives and in todays world, these are highly sought-after commodities. A home cleaning service can start out small, but it has the potential to grow to be a multi-million dollar business with branch offices and franchises. Your business can grow to the point where you need to lease office space, hire staff, purchase a fleet of vehicles, and develop your own products and customized services. With the help of this book, you can get your business up and running, and survive that essential first year.
