

Starting on a Shoestring: Building a Business Without a Bankroll

Live your entrepreneurial dream with no-or little-money down Where theres a will, theres a way. Even if you dont have start-up money in the bank, you can get your new business on its feet with ingenuity and knowledge. Starting on a Shoestring is the key to your success. Now in its Fourth Edition, this perennial bestseller has helped thousands of people live out their dreams; it provides the knowledge and the confidence you need to get your business off the ground and up and running. Authoritative, step-by-step guidance will answer your questions, help you plan your strategy, and get you started. In the new Fourth Edition, an all-new chapter covers everything you need to know about the Internet, from creating an online presence for your business to understanding all the tech jargon. And theres more: * Make sure your business idea is right for you-before you take the risk * Find sources of capital and approach them confidently * Six common myths: avoid the traps and misconceptions of starting up * Should you take on a partner? * Setting up: bargains on equipment, dealing with suppliers, the advantages of leasing, value of consignments * Marketing and advertising on a shoestring: free publicity, word-of-mouth, creating a prestige image cheaply * Examples of businesses like yours that maximized their success on the Internet Now better than ever, Starting on a Shoestring gives you a wealth of vital information youll find in no other book-its your first step to entrepreneurial success.
